**PENDING BUSINESS: None**

**NEW BUSINESS:**

1. Discussion/Action on Attorney for LGRFA-**Clark** would like to talk to a couple of firms that are familiar with the Labor Laws. **Motion by Adams**, seconded by **Simmons** to request proposals from 4 or 5 local law firms in labor employment area. **Motion passed.**
2. Discussion/Action on Fire Truck Payment-**Clark** commented that the townships would provide the funds and he will forward the invoices to the townships. We will send copies of the invoices to each township for their records. The authority will pay for the truck from the original invoice.
3. Discussion/Action on Matching Grant Fund Expenditure-**Fabiano** stated that the grant that they received the matching part is \$2,100.00 and Lansing, Meridian and Williamston Townships all received the same type of grant and will be purchasing the same type of air packs. If LGRFA purchases with them they will get a bigger discount. **Fabiano** wanted to be sure that he can have the funds because the purchase needs to be made in the next couple of weeks. No action needed.
4. EMS Training Grant-There are some training aids that LGRFA could use as well as EKG monitor. This is about \$60,000.00 worth of equipment which the grant would require a 5% match of approximately \$3,000.00. The grant is due May 28<sup>th</sup>. It doesn't cost anything to submit a grant but there needs to be approval because of the matching funds required. **Motion by Simmons** seconded by **Therrian** to apply for the training aids and the EKG monitoring grant-the Assistance to Firefighters Grant Program in the amount of \$60,000.00 with a 5% match. **Motion passed.**
5. Stipend Discussion- **Mitchell** commented on how the stipend is paid and the requirements for it. He feels that the Board Members do everything they are supposed to do for the month and then something comes up and they can't make the monthly meeting, they should still get their stipend for it. **Clark** commented that Watertown Trustees get a small salary as well as getting paid for meetings. If they don't go to a meeting, they don't get that meeting stipend. Eagle is also paid a very small salary monthly regardless of their meeting attendance with the assumption that they are still continuing their duties even if they are not at the monthly meeting. Eagle trustees are paid \$110.00 per month. **Clark** would not feel comfortable with "allowing" people to skip meetings and still get paid. He stated that that has not happened but it could be a possibility in the future. **Therrian** stated that he feels it is a public service and doesn't matter if he is paid or not. This item was tabled.

**PUBLIC COMMENT-None**

**ADJOURNMENT- Motion by Adams, seconded by Simmons to adjourn the meeting.
